ore Leadership Values

Submission to the Lord Jesus Christ. When it comes to following Jesus, we're not perfect but always making progress.

Empowerment. We never do ministry alone – we build relationships, inspire people to live out their purpose, and give them opportunities to lead.

That Extra Something. We're intentional and innovative about everything we do and why, so we put the very best into it - no excuses.

Ownership. We show initiative, take responsibility, and share the credit.

Love. We're *for* people around here, preferring others before ourselves just like Jesus did – even when it costs us.

Honesty. We're secure, and it shows in the way we tell the truth, the whole truth, and nothing but the truth.

Learning. We have the humility to admit we don't know it all yet, so we're relentless about growing ourselves every day.

Bleed Journey Red. We champion our vision and culture by embracing it, authentically living it out, and passionately passing it on.

Live for the story. We take risks so God can rewrite stories and we can tell the world.

Flexibility. Everything except our mission might change tomorrow, and we all need to be ready.
